The SYC Farm Pond Stewardship Award

The Sherborn Yacht Club has established a \$500 scholarship award to be given annually to the Dover Sherborn High School student who has best demonstrated environmental stewardship for Farm Pond in Sherborn during their high school years.

The award has been established by the Sherborn Yacht Club to honor the Joukowsky Family whose generosity over the years has allowed the Club to use private property adjacent to town land. The award recipient will be announced at the Senior Class Awards night each spring and their name will be added to a recognition plaque maintained by SYC.

Established in 1962, the purpose of the Sherborn Yacht Club is to promote sailing and boating at Farm Pond to benefit the Town of Sherborn and its citizens.
